Junior golfers are not allowed to participate in ladies and men's events.

GOLF COURSE ETIQUETTE

Persons using the Golf Course should do their part to make a round of golf at the Club Facilities a pleasant experience for everyone. Here are some suggestions:

1. Anticipate the club or clubs you may need and go directly to your ball. Always be near your ball to play promptly when it is your turn. If a player is delayed in making his or her shot, it would be courteous for such player to indicate to another player to play, which should not be deemed playing out of turn.
2. The time required to hole out on and around the green is a chief cause of slow play. Study and clear the line of your putt while others are doing the same. Be ready to putt when it is your turn.
3. If cart paths are provided within thirty yards of a green, golf carts are required to remain on the cart path. Never leave the golf cart in front of the green, where you will have to go back to get it, while the following players wait for you to move out of their path.
4. Golf carts must remain on cart paths around tees. When driving from a green to the following tee, golf carts are required to remain on the cart path.

5. When play of a hole is completed, leave the green area promptly and proceed to the next tee without delay. Do the scoring for the completed hole while the others in your group are playing from the next tee.
6. If you are not holding your place on the course, allow the players behind to play through. Do the same if you stop to search for a lost ball.
7. Repair your ball marks on the green. Repair ball marks left by others when noticed.
8. Any divots made in the fairway or tee area should be filled with sand contained in the sand buckets located on the golf carts or at the tee.
9. Carefully rake bunkers after use. Rakes should be replaced in bunkers with the handle on the outside of the bunker.
10. The golf Rangers will report slow play and all breaches of golf etiquette to the Head Golf Professional, who will take the appropriate action.

GOLF CART RULES

1. Golf carts shall not be used by a Member or Guest on the property of the Club without proper assignment and registration in the Pro Shop.
2. Each operator of a golf cart must be at least sixteen years of age and have a valid automobile driver's license.
3. Operation of a golf cart is at the risk of the operator. Cost of repair to a golf cart that is damaged by a Member will be charged to the Member. In the case of damage by a Guest, the charge will be to the sponsoring Member. Members using a golf cart will be held fully responsible for any and all damages, including property damage and personal injury caused by the negligent use of the golf cart by the Member or his Guests. The Member shall reimburse the Club for any and all damages the Club may sustain by reason of misuse.
4. Golf carts shall be driven on the Golf Course only when the course is open for play.

10. Do not drive a golf cart within fifty feet of a green, tee or marked areas on the Golf Course, unless on the cart path.
11. Never drive a golf cart through a hazard.
12. After heavy rains, certain areas and specific holes may be limited to golf cart use. When instructions for “Cart Path Only” is given and/or are posted, they must be strictly followed.
13. There are white and green “scatter stakes” posted along the cart path and other areas of the golf course. This is an indication to avoid that area with the golf cart. Ignoring of the scatter stakes will be taken as seriously as ignoring “Cart Path Only” instructions.
14. Be careful to avoid soft areas on fairways, especially after rains. When off the cart path, please use the rough wherever possible.
15. In all situations, golfers should use the “90 Degree Rule” to help prevent unnecessary wear and tear on the golf course.
16. When restrictions or special instructions are given, it is in the spirit of protecting the condition of the golf course. Do not view this as a penalty and consider if you will be able to abide by such restrictions BEFORE you decide to play. First violations will result in a verbal warning. Second violations will result in a written warning. A third violation will result in suspension of golfing privileges, the length to be dictated by the severity and frequency of the infraction. Understand that the Golf Staff is communicating restrictions as provided by the Golf Course Superintendent and/or Club Management, and it is their responsibility to enforce such instructions. **Any verbal abuse or intimidation of a Tusawilla Staff Member will not be tolerated and will result in an immediate suspension of Club Privileges.** Any issues with restrictions or instructions should be brought to the Head Golf Professional and/or General Manager for discussion.
